Subject: Olympic Peninsula Kidney Center Letter of Intent

Jan, please accept this memo as a letter of intent on behalf of the Olympic Peninsula Kidney Center (OPKC). OPKC plans to expand the Poulsbo Kidney Center by 2 stations from the current 8 stations to a total of 10 stations. The estimated cost to equip the Kidney Center expansion will be \$75,000. The service area is based upon the current patient population for the Poulsbo Kidney Center which includes Kitsap and Jefferson Counties¹.

If you have any questions about OPKC's plans, please contact me at my office phone at 206-623-1470X108 or my cell phone at 206-915-0846.

Sincerely;

Jeff Lehman
Executive Director

¹ If a separate application is submitted for Jefferson County, an application proposing the expansion of the Poulsbo Kidney Center will only serve Kitsap County.
